Business Casual

Maverick PAC ("Mav PAC") is a Federal non-connected political action committee with the following purposes: (i) support the election of Republican incumbents and candidates to federal and Texas state offices; (ii) promote the interests of the Republican Party both nationally and in Texas; and (iii) advocate the involvement of members in federal and state governments. Members are next-generation Republicans, generally under the age of 45 and hailing from across the state of Texas.
